Norway: Liquid Seal Pump, District Court Oslo, 27 January 2014

Lars Erik Steinkjer (Wikborg Rein) · Monday, May 5th, 2014

The Oslo District Court held that Jets AS' patent for a liquid seal pump of the helical screw type for use in vacuum drainage systems lacked novelty over one of Jets' own patents. Despite the court's finding on invalidity, the court did not consider Jets warning letter to a customer of its competitor, Evac Oy, in conflict with good business practice among traders pursuant to §25 of the Norwegian Marketing Control Act.
