Netherlands: G.D. SEARLE LLC. v. SANDOZ B.V., Provisions Judge of the District Court of The Hague

Bart van Wezenbeek (Millipede) · Monday, December 3rd, 2018

The District Court of the Hague granted a provisional injunction against Sandoz' generic darunavir product. As it was already offered in the G-standard, price erosion was an imminent danger for which a provisional injunction was warranted, and the SPC appeared to be valid having been held so in the parallel procedure before the UK court.
