Patent case: University of Florida Research Foundation Inc. v. General Electric Co., USA

George Basharis (Wolters Kluwer Legal & Regulatory US) · Saturday, March 9th, 2019

Patent for automating the collection and manipulation of bedside medical data did not provide any specific improvements to the way conventional computers operate. Therefore, the patent claims were invalid.

Case date: 26 February 2019

Case number: No. 18-1284

Court: United States Court of Appeals, Federal Circuit
