Patent case: TEK Global S.R.L. v. Sealant Systems International Inc., USA

George Basharis (Wolters Kluwer Legal & Regulatory US) · Wednesday, April 10th, 2019

A new trial was granted so a manufacturer accused of infringing the patent can challenge its validity by presenting additional obviousness theories that the district court should not have disallowed.

Case date: 29 March 2019

Case number: No. 17-2507

Court: United States Court of Appeals, Federal Circuit
