## Spatial connector, Administrative Court of Voivodeship Warsaw (Wojewódzki Sąd Administracyjny w Warszawie), 25 February 2009

Krystyna Szczepanowska-Kozłowska (Allen & Overy) · Wednesday, February 25th, 2009

In this case the Court holds that documents and explanations relating to a patent application should be corrected or changed at the request of the Polish Patent Office within a fixed time period and under penalty of discontinuation of the proceedings. A faulty application and non-compliance with such requests may result in the refusal to recognise the subject matter of the application as an invention.
