New Swiss Patent Judges Sworn In

Simon Holzer (MLL Meyerlustenberger Lachenal Froriep Ltd.) · Sunday, January 30th, 2011

Two weeks ago the judges of the new Swiss Federal Patent Court convened for the first time for their swearing-in and elected the vice president of the Federal Patent Court among their ranks (Mr. Frank Schnyder). The president (Mr. Dieter Braendle) had been designated by the Federal Swiss Parliament in advance.

The new Judges (as well as the Swiss Federal Patent Court) will take up work presumably on January 1, 2012.

The court bench is composed of 2 full-time judges and 31 adjunct judges. The adjunct judges will be brought in on a case by case basis. In order to make available as much expertise as possible the 31 adjunct judges have vast practical experience in patent law. Most of them are patent attorneys or patent litigators.
