## Valsacor Case, Higher Court of Ljubljana (Višje sodišče v Ljubljani), 9 July 2009

Maja Bogataj Janžič · Saturday, April 9th, 2011

The patentee (Claimant) filed a request for an interim injunction against the Defendant, ordering it to stop using the patented method, stop selling or importing Valsacor film coated tablets or any other products that would infringe the European patent, to seize the mentioned tablets, and to order Defendant to pay a penalty. The court rejected the patentee's claims, because the alleged infringer did not use the claimed method.
