M2Trade, Federal Court of Justice (Bundesgerichtshof), 19 July 2012

Jochen Buehling (Krieger Mes Graf & v. der Groeben) · Sunday, July 14th, 2013

Although the right of the main licensee to use the invention automatically fell back to the licensor upon the licensee's insolvency, the Court held that the sublicensee enjoys protection of succession and that the sublicense continued to exist despite the termination of the main license.
