## Patent case: Digitales Buch, Germany

Thorsten Bausch (Hoffmann Eitle) · Wednesday, April 4th, 2018

The Federal Court of Justice held that the fact that all of the embodiment examples in an application comprise a specific feature stands in the way of claiming protection for embodiments without this feature, if it can be derived from the content of the application that the means provided in the claim serve to solve a problem which necessitates the presence of the feature in question.

Case date: 07 November 2017

Case number: X ZR 63/15

Court: Federal Court of Justice of Germany
