Patent case: Judgment of Zaragoza Court of Appeals No. 450/2019, Spain

Adrian Crespo (Clifford Chance) · Monday, December 9th, 2019

Following the 2017 revamp of the Spanish patent system, only certain courts in Barcelona, Madrid and some other industrial hubs now have jurisdiction in patent matters. However, decisions from other courts in cases brought under the old rules are still trickling in. In this case, the Zaragoza Court of Appeal delivers a judgment which contains some interesting findings, particularly in the context of novelty assessment, which call for some important observations and qualifications.

Case date: 31 May 2019

Case number: 000450/2019

Court: Provincial Court of Zaragoza
