## UPC: More information about access to new CMS

Kluwer Patent blogger · Wednesday, October 12th, 2022

The Unified Patent Court has provided more information about the new authentication mode and electronic signature, which are necessary to access the CMS of the new court.

As is explained in a document which was published today, ‘to be able to use the CMS system and eSignature functions, you need first to contact one of the providers on the trusted list on the EU Trust Services portal.’

The document can be found [here](#).
