UPC Sunrise Period deferred until 1.3.2023 – Thank you, UPC Preparatory Committee

Thorsten Bausch (Hoffmann Eitle) · Monday, December 5th, 2022

The [UPC website](#) has the breaking news of the day: The start of the UPC Sunrise Period is postponed for two months until March 1, 2023.

This is time for relief and gratitude. And while today is Mozart's day of death, I would like to express it in Bach / Picander's words from the Christmas Oratorio, Part III:

Herrscher des Himmels, erhöere das Lallen,
Laß dir die matten Gesänge gefallen,
Wenn dich dein Zion mit Psalmen erhöht!
Höre der Herzen frohlockendes Preisen,
Wenn wir dir itzo die Ehrfurcht erweisen,
Weil unsre Wohlfahrt befestiget steht!

Ruler of heaven, hear our inarticulate speech,
let our faint songs please you,
when your Zion exalts you with psalms!
Hear the exultant praise of our hearts,
as we show our reverence for you
since our welfare is made sure!

Thank you, UPC Preparatory Committee, for hearing the users and doing the right thing!
