Patent case: Nokia Solutions and Networks OY vs. Oleading B.V. and Reflection Investment B.V., Netherlands

Bart van Wezenbeek (Hoffmann Eitle) · Saturday, April 8th, 2023

In the next chapter in the FRAND-related battle between Nokia and Oppo, Nokia tried to obtain an injunction in relation to Oppo's sales through Oleading and Reflection. The provisions judge, however, found this case to be too complex, both because of the patented subject-matter and the FRAND issues, to be decided in the present preliminary proceedings, since a preliminary decision in favour of Nokia would unreasonably limit the defendants' businesses.

Case date: 11 January 2023

Case number: C/09/638658 / KG ZA 22-1045

Court: Provisions Judge of the District Court of The Hague
