Patent case: Judgment no. 403/2024 of Barcelona Court of Appeals, Spain

Adrian Crespo (Clifford Chance) · Thursday, November 14th, 2024

A case concerning an automated vinification system offers us a glimpse of that rare species of patent litigation: the declaratory non-infringement action. The case demonstrates the need to carefully draft this type of action, as well as the need to choose the right evidence to support declarations that go beyond specific models. This is key for a “first growth” outcome of the case.

Case date: 14 May 2024

Case number: 403/2024

Court: Court of Appeal of Barcelona
